Important notes:

This copy of the Inventory is provided as a convenience only, for ready-reference purposes. In cases of any error as amended from time to time, will determine jurisdiction, in case of dispute.

Jurisdiction applies to all structures located at the addresses listed (e.g., dwellings, detached garages, etc.) In cases of a property having or using more than street name and/or street number jurisdiction applies to the entire property (example: condominium units). If a street number or street address for a property In cases where the number 0 appears and there is no structure on the property, this may indicate that jurisdiction a district and does not possess a street number.

In case of any uncertainty, property owners, contractors or their agents are directed to contact the Arlington Historical Commission to discuss issues of jurisdiction prior lodging an application for a Building Permit.
